SACRED VOCATIONS: Please pray for an increase of vocations to the Priesthood and Diaconate.

UP TO OUR NECK: Jesus sent the disciples in the boat by themselves. Because we observed the Transfiguration, we did not see the miracle of feeding the five thousand. After He sent the 12 in the boat He went to pray. On the boat the weather got rough and they were upset. Jesus walks toward them on the water, they start to panic, "It is a ghost they cry out." Jesus tells them "It is I." Peter questions Him, "If it is You, bid me to walk to You." Jesus tells him to "come." Peter starts out doing well. But, the wind kicks up and he panics, "save me!" Jesus lifts him from the water and they get in the boat. Jesus questions his faith and why he faltered.

Many times we get ourselves into situations that seem alright, but the more we get into it we find ourselves drowning. The phrase "look before you leap," applies. We take on too much we may not have thought something through, and find it is more than we can handle, or we did not trust. Jesus is there to save us. to lift us up help us. He gives us new direction, and lifts us up. Jesus I always near to help us, we only need to call on Him. Jesus will not let us drown. We only need to have faith and not falter.

LECTORS: I would like the names of the Lectors of our parish. I will give the Lectors the list of reading for the Sundays at the end of each month so you may practice them before your scheduled Sunday.
