POLISH HERITAGE: The month of October traditional is Polish Heritage Month. It is a time to highlight our Polish roots, the hold up the achievements of Polish people. People of Polish decent have made many contributions to the worlds of science, music, and life. One such person is Blessed Prime Bishop Francis J. Hodur who came to America from Zarki, Poland, attended seminary and was Ordained a priest. He gave up his comfortable life as a Roman Catholic priest and took up the cause or those 250 people who came to him to solve their problem and organized the Polish National Catholic Church. We have much to be proud of hold up your heritage to the world.

SACRED VOCATIONS: Please pray for an increase of vocations to the Priesthood and Diaconate.

THE BANUQUET OF LIFE: The King prepares a banquet for his son; all is ready and no one comes. If we were called to a banquet, would we not ready to go? The people in the parable seemed to have better things to do. In fact when the servants go to call them they have many reasons not to go. The reaction of the king is extreme, he burns their city. That is how many people react to the invitation of our King when it comes to attending the banquet of Holy Mass. They come up with many reasons not to attend. but when it comes to attending other things, they are right there. Attending social or sporting events is right up their alley. The banquet of life comes to us from God. He prepares the banquet with the food of the Eucharist which is the best of all foods. But, we show ourselves unworthy to attend. That is a failure on our part. Do we come dressed to take part? I do not mean the clothes we wear, although we ought to come looking proper, but are our hearts dressed take part? Do we arrive on time, do we examine our hearts to see if we are ready to receive what God has prepared? Do we receive the Body and Blood of Jesus worthily? Do we think of other places we would rather be? We ought to focus our attention on what is taking place at Mass, not looking at our watch or looking around. We ought to be focused on Our Lord and Savior Jesus Christ, present to us in Word and Sacrament. We may find ourself out in the darkness rather than in the light of heaven.

ALL SAINTS: We observe All Saints on **SUNDAY OCTOBER 29th**.

ALL SOULS: We will mark All souls Day on **SUNDAY NOV. 5th**. You will find envelopes in the Vestibule. Please take one and return it by **SUNDAY OCTOBER 29th**. We will go to the cemetery on **SUNDAY NOVEMBER 19th** following the Parish Committee Meeting.
