HE IS RISEN: HE IS RISEN: The women went to the tomb of Jesus to change His burial cloths and to anoint Him. They wondered who would roll back the stone. We walk with the women to see the grave. Like them what would you think when you see the stone rolled away and the grave empty? Did the people take His body and throw it with the others over the cliff? The angels told them He was not there, "Why look for the living among the dead?" They found it empty. Mary Magdaline stayed and cried. Until she saw a man she thought was the gardener. Until He spoke, and said her name. She realized it was Jesus. We run with her to tell the others, they were slow to believe. What would be going through your mind? We are to tell others that Christ is risen!

Our faith tells us it is true, whether others accept it or not is up to them. We see our Risen Lord Jesus each time we come to Holy Mass. He is present on our altars, and we receive Him to ourselves in Holy Communion. We receive Him in Word and Sacrament. Today is a day of great joy, we have new life in Christ. His death washed away our sins and made us a new creation before God the Father. What we do wit that new life is up to us. We can live it as children of God, or live as we always did. In either case we will have to answer for it. Let us go and spread the word, **"CHRIST IS RISEN! INDEED HE IS TRULY RISEN!** On behalf Mama Pat and myself, we wish you all a **HAPPY AND GLORIOUS EASTER!**

IN NEED OF PRAYER: Please pray for Kelly Seliga, Peter Krause, Louis McGlone.
