**HAPPY MOTHERS DAY:** Today we pay tribute the woman who has or is the greatest influence in our life, Our Moms. We owe our Moms a lot, from the care they gave us, cooking, laundry, being with us when we were sick, worrying about us. Mothers are God's special gift to the world. They work tirelessly in the home and at jobs outside the home which supports their family. They attend school recitals, and little league games, cheering their child on. They are a source of strength when we are weak. They lift us up when we are down. Moms are irreplaceable, when they are gone they are gone. For all that you do we say thank you. To our moms who on rest in heaven, we remember and bless you. **HAPPY MOTHER'S DAY.**

**IN NEED OF PRAYER:** Please pray for Kelly Seliga, Peter Krause, Louis McGlone.
