THE BREAD OF LIFE: Jesus tells His listeners and us that He is the Bread of Life. If we eat this bread we will live forever. The ones who heard this did not like it. The idea of eating someone's flesh is not appealing. He compares Himself to the manna that was given to the people who were given it while they were in the desert. The Solemnity of Corpus Christi affirms our belief that each time we receive Holy communion we receive Jesus into our heart and soul. We are taken back to that time at the Last Supper when Jesus instituted this Sacrament for the life of our souls. It was a preview of His sacrifice on the cross the next day. When we receive Communion, we proclaim the death of the Lord. Jesus gave this to us to last until the end of time. Jesus gave Himself to us out of love. He died on the cross for love of us. Each time at Holy Mass we hear the words of Jesus to the Disciples, take and eat this is my body and this is My blood. Each time we come to Mass make sure we are in a state that we can receive Him.

IN NEED OF PRAYER: Please pray for Kelly Seliga, Peter Krause, Louis McGlone.
